Why Link?

Client first,
always

Forward-thinking brands are demanding more from their procurement partnerships. Our proactive mindset, agile approach and desire to share knowledge, mean we put our clients at the heart of everything we do.

Distinctly
dependable

Privately owned, profitable and a proven track record for exceeding expectations. 20+ years of improving efficiencies, driving sales, enhancing a brand's reputation – our clients trust us to always find the best way.

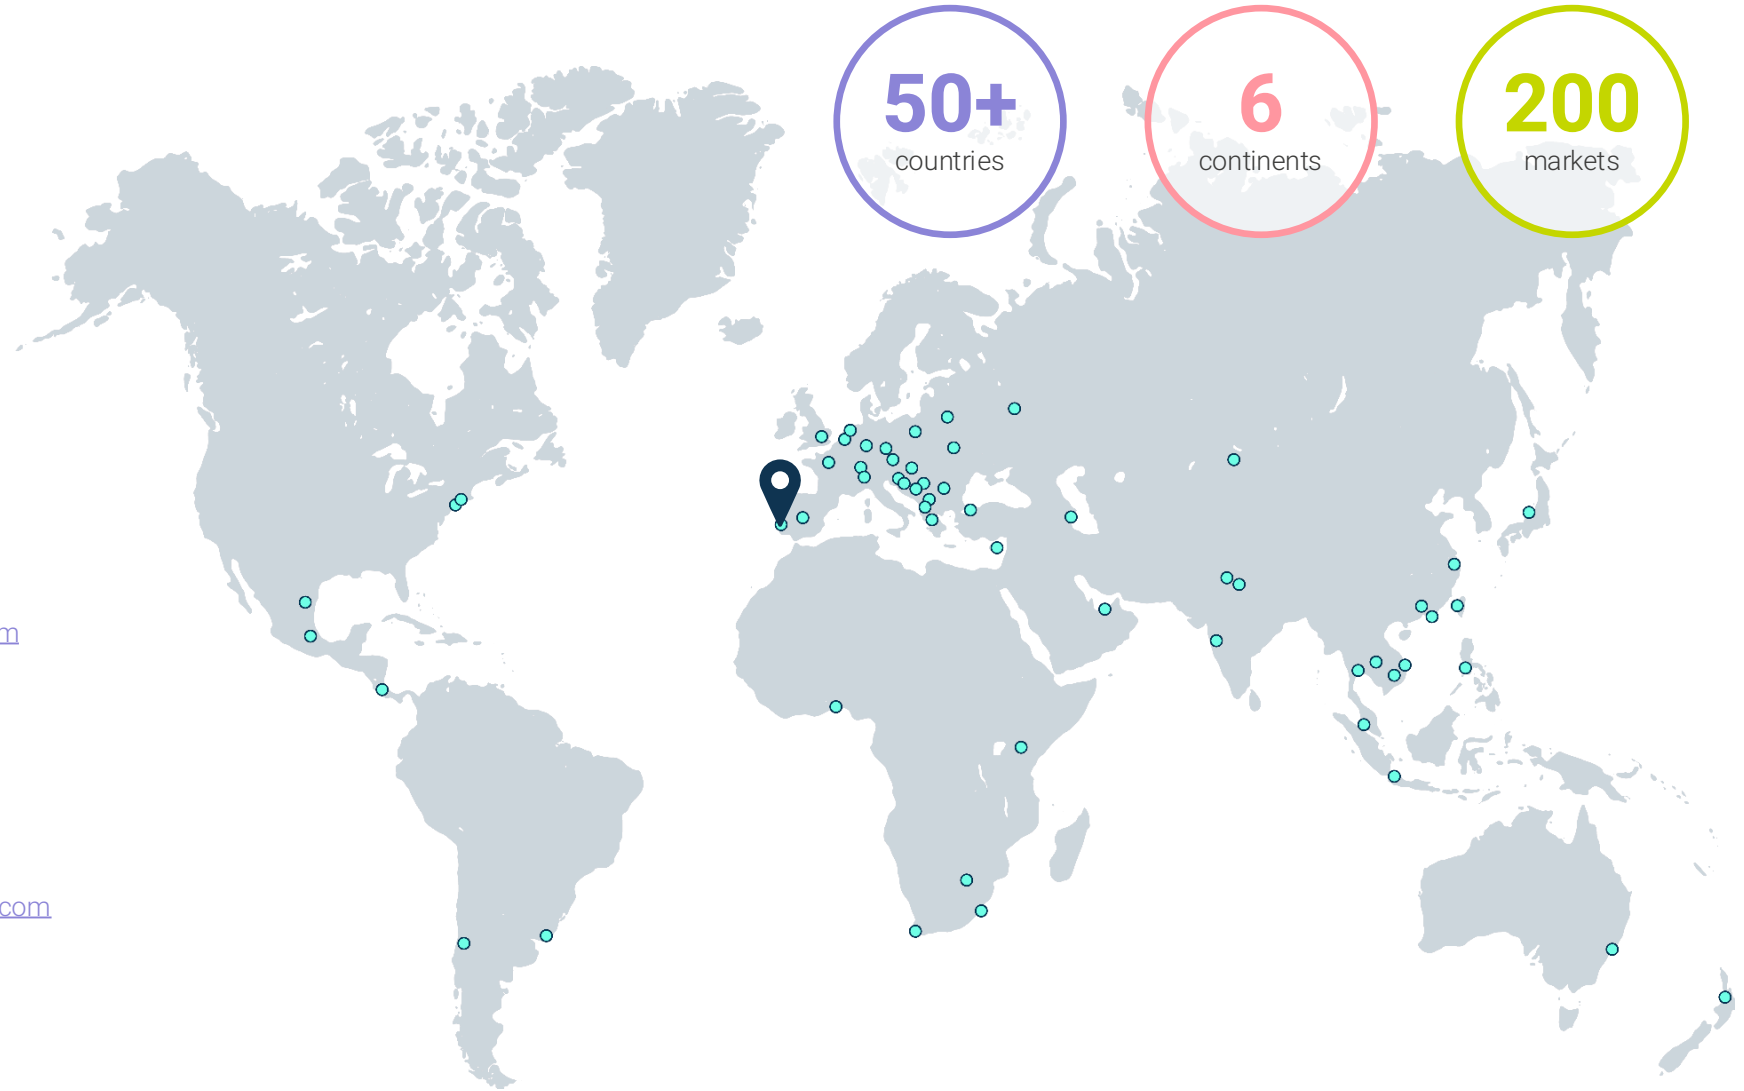

An eye on
the future

Technology, materials and supply chains are constantly evolving. By keeping a long-term view, and applying the very best in new technology, we help our clients combine a profitable present with a sustainable future.

A force
for better

Global climate change is one of the greatest challenges we all face today. Ours is an inherently wasteful industry, but the potential for positive change is there and we have a responsibility to lead it.
